| Objective of the Workshop | To inform UG first year student about objective, syllabus, curricular pattern and exam pattern. | | | |
| Points of discussion | A four-day orientation program was conducted on ‘NEP – 2020’ which was implemented by department of higher education, Govt. of Odisha from the academic session 2024-25. The target audience were recently admitted UG first year students and faculty members from all the departments. In this orientation program awareness created on curricular structure, credit points assigned to each paper and choice of minor, multi-disciplinary course, skill enhancement course, ability enhancement course, value aided course paper in their curriculum. The pattern of internal and end semester exam and mark distribution was also explained. Beside that an idea was given on one year completion certificate course and two-year completion diploma course along with vocational course, online courses and internship/field work/community engagement/NCC etc. | | | |
| Action Taken | After the orientation program students were given opportunity to choose their minor and other papers from any stream in a multidisciplinary approach and NEP – 2020 was successfully implemented at college level. Students also enrolled in various online courses. | | | |
